GARFIELD NATURE TRAIL—
EAST END

Celebrate Arbor Day this year at two special events!

Saturday, March 20: “Free the Trees!: A Restoration Workshop” Learn how to volunteer in your community to remove invasive species and restore local natural areas. Location: Smith Building, 837 7th AVE SE at 10:00 AM.

Saturday, March 27: Arbor Day at the Garfield Nature Trail! Join us as we celebrate Olympia being named a Tree City USA for the 17th consecutive year! Learn more about caring for our natural areas and plant new seedlings where ivy has recently been removed along the Garfield Nature Trail.

Take home a *FREE* native conifer seedling, and stay after the planting event for a *sneak-peak* walking tour of the new West Bay Park!

Please note that street parking is available March 27 at the west end of the Garfield Nature Trail on Rogers ST, between Madison & Conger Ave.

NO PARKING is available on West Bay Drive.
